

**Israeli Prime Minister Benjamin Netanyahu Leads US President Trump to War  
with Iran:**

**Can Generals James Mattis (US Secretary of Defense) and John Hyten (Head of  
US Strategic Command) Prevent a Disaster?**

**James Petras**

**Introduction**

Israeli Prime Minister Benjamin Netanyahu and the Presidents of the 52 Major Jewish American Organizations are leading President Trump, like a puppy on a leash, into a major war with Iran. The hysterical '52 Presidents' and 'Bibi' Netanyahu are busy manufacturing Holocaust-level predictions that a non-nuclear Iran is preparing to 'vaporize' Israel, the most powerful, nuclear-armed state in the Middle East. The buffoonish US President Trump has swallowed this fantasy wholesale and is pushing our nation toward war for the sake of Israel and its US-based supporters and agents. We will cite ten recent examples of Israeli-authored policies, implemented by Trump in his march to war (there are scores of others).

1. After many years, Israel and 'the 52 President' finally made the US withdraw from the United Nations Educational, Scientific and Cultural Organization (UNESCO) because of its detailed documentation of Israeli crimes against Palestinian people. Trump complied with their demands.

2. Tel Aviv demanded a Zionist fanatic and backer of the illegal Jewish settler occupation of Palestinian lands, the bankruptcy lawyer David Friedman, be appointed US Ambassador to Israel. Trump complied, despite the ambassador's overt conflict of interest.
3. Israel launched waves of savage bombings against Syrian government troops and facilities engaged in a war against ISIS-mercenary terrorists. Israel, which had backed the terrorists in its ambition to break-up of the secular Syrian state, demanded US support. Trump complied, and sent more US arms to the anti-government terrorists.
4. Israel denounced the 2015 *Iran Nuclear Deal Framework* and *Joint Comprehensive Plan of Action*, signed by 6 major states and UN Security Council Members, (US, France, UK, Germany, China and Russia). A furious Netanyahu demanded that President Trump follow Tel Aviv and abrogate the multiparty agreement signed by his predecessor, Barack Obama. Trump complied and the US is at risk of openly violating its international agreement.

Trump parrots Netanyahu's falsehoods to the letter: He raves that Iran, while technically in compliance, has violated '*the spirit of the agreement*' without citing a single instance of actual violation. The 5 other signers of the '*Framework*', the US military and the UN's International Atomic Energy Agency have repeatedly certified Iran's strict compliance with the accord. Trump rejects the evidence of countless experts among US allies and 'his own generals' while embracing the hysterical lies from Israel and the '52'. Who would have thought the 'hard-nosed' businessman

Trump would be so *'spiritual'* when it came to honoring and breaking treaties and agreements!

5. Israel and the '52' have demanded that Washington imprison and fine US citizens who have exercised their constitutional First Amendment Right of free speech by supporting the international boycott, divest and sanctions (BDS) campaign, which is designed to end the illegal Israeli occupation of Palestinian land and crimes against Palestinians. Trump complied. Americans may soon face over a decade in prison and complete economic ruin for supporting a peaceful economic boycott of Israeli settler products. This will represent an unprecedented violation of the US Constitution. At present, US public employees, like teachers in certain US states, are facing job loss for refusing to sign a 'loyalty oath' not to boycott products from Israel's illegal settlements. Desperate American victims of the floods and natural disasters in Texas are being denied access to public US taxpayer relief funds unless they sign similar loyalty oaths in support of Israel.
6. Israel demanded that the US appoint Zionist fanatic real estate attorney, Jason Greenblatt and real estate speculator, Jared Kushner as Middle East peace negotiators. Trump appointed South Carolina businesswoman Nikki Haley as US Ambassador to the United Nations. Israel pushed for Ms. Haley, the first US governor to criminalize support for the peaceful BDS movement.
7. Trump went against the advice of *'his Generals'* in his own cabinet regarding Iran's compliance with the nuclear agreement, and chose to comply with Netanyahu's demands.

8. Trump supports the long-standing Israeli project to maneuver a Kurdish takeover of Northern Iraq, grabbing the oil-rich Kirkuk province and permanently divide the once secular, nationalist Iraqi nation. Trump has sent arms and military advisers to the Kurds in war-torn Syria as they attempt to grab territory for a separate 'Kurdistan'. This is part of an Israeli plan to subdivide the Middle East into impotent tribal 'statelets'.
9. Trump rejected the Turkish government's demand to extradite CIA-Israeli-backed Fethullah Gulen, self-exiled in the US since 1999, for his leadership role in the failed 2016 military coup d'etat.
10. Like all his predecessors, Trump is completely submissive to Israeli-directed 'lobbies' (like AIPAC), which operate on behalf of a foreign power, in violation of the 1938 Foreign Agents Registration Act. Trump chose his Orthodox Zionist son-in-law, Jared Kushner, a callow real estate investor and prominent supporter for war against Iran, as his chief foreign policy adviser.

President Trump's irresponsible pandering to Israel and its American-Jewish agents has caused deep unease among the Generals in his cabinet, as well as among active duty and retired US military officers, who are skeptical about Tel Aviv's push for open-ended US wars in the Middle East.

### **Ten Reasons Why Military Officers support America's Nuclear Accord with Iran**

The Netanyahu-Israel First power configuration in Washington succeeded in convincing Trump to tear-up the nuclear accord with Iran. This went against the advice and

wishes of the top US generals in the White House and active duty officers in the field who support the agreement and recognize Iran's cooperation.

The Generals have ten solid reasons for rejecting the Netanyahu-Trump push to shred the accord:

1. The agreement is working. By all reliable, independent and official observers, including the International Atomic Energy Agency, the US intelligence community and the US Secretary of State - Iran is complying with its side of the agreement.
2. If Trump violates the agreement, co-signed by the 6 members of the UN Security Council, in order to truckle to the whims of Israel and its gang of '52', the US government will lose all credibility among its allies. The US military will be equally tainted in its current and future dealings with NATO and other military 'partners'.
3. Violation of the agreement will force the Iranians to restart their nuclear, as well as advanced defensive, weapons programs, increasing the risk of an Israeli-Trump instigated military confrontation. Any US war with Iran will be prolonged, costing the lives of tens of thousands of US troops, its land bases in the Gulf States, and warships in the Persian Gulf. Full-scale war with Iran, a large and well-armed country, would be a disaster for the entire region.
4. US generals know from their earlier experiences under the George W. Bush Administration that Zionist officials in Washington, in close collaboration with Israeli handlers, worked tirelessly to engineer the US invasion of Iraq and the prolonged war in Afghanistan. This led to the death and injury of hundreds of

thousands of US military personnel as well as millions of civilian casualties in the invaded countries. The ensuing chaos created the huge refugee crises now threatening the stability of Europe. The Generals view the Israel-Firsters as irresponsible armchair warmongers and media propagandists, who have no 'skin in the game' through any service in the US Armed Forces. They are correctly seen as agents for a foreign entity.

5. US generals learned the lesson of the wars in Iraq, Syria, Libya and Somalia - where disastrous interventions led to defeats and loss of potential important regional allies.
6. US generals, who are working with Secretary of State Rex Tillerson to negotiate an agreement with North Korea, know that Trump's breaking a negotiated agreement with Iran, only reinforces North Korea's distrust of the US and will harden its opposition to a diplomatic settlement on the Korean Peninsula. It is clear that a full-scale war with nuclear-armed North Korea could wipe out tens of thousands of US troops and allies throughout the region and kill or displace hundreds of thousands, if not millions, of civilians.
7. US generals are deeply disturbed by the notion that their Commander in Chief, the elected President of the United States, is taking his orders from Israel and its US proxies. They dislike committing American blood and treasure for a foreign power whose policies have only degraded US influence in the Middle East. The generals want to act for and in defense of US national interests – and not Tel Aviv's.

8. US military officials resent the fact that Israel receives the most advanced US military weapons and technology, which have been subsidized by the US taxpayers. In some cases, Israelis receive advanced US weapons before US troops even have them. They also are aware that Israeli intelligence agents (and American citizens) have spied on the US and received confidential military information in order to pre-empt US policy. Israel operates within the United States with total impunity!
9. US generals are concerned about negotiating accords with China over strategic military issues of global importance. The constant catering and groveling to Israel, an insignificant global economic entity, has reduced US prestige and status, as well as China's trust in the validity of any military agreements with the Americans.
10. Trump's total reliance on his pro-Israel advisers, embedded in his regime, at the expense of US military intelligence, has led to the construction of a parallel government, pitting the President and his Zionist-advisers against *his generals*. This certainly exposes the total hypocrisy of Trump's presidential campaign promise to 'Make America Great Again'. His practice and policy of promoting war with Iran for the sake of Israel are placing US national interest and the advice of the US generals last and will never restore American prestige.

Trump's decision not to certify Iran's compliance with the accord and his handing the ultimate decision on an international agreement signed by the six members of the UN Security Council over to the US Congress is ominous: He has effectively given potential war making powers to a corrupt legislature, often derided as 'Israeli occupied territory', which has always sided with Israeli and US Zionist war mongers. Trump is snubbing

'his' State Department, the Pentagon and the various US Intelligence agencies while giving into the demands of such Zionist zealots as New York Senator Charles Schumer, Netanyahu's alter ego in the US Senate and a huge booster for war with Iran.

## **Conclusion**

Trump's refusal to certify Iran's compliance with nuclear accord reflects the overwhelming power of Israel within the US Presidency. Trump's rebuke of his generals and Secretary of State Tillerson, the UN Security Council and the 5 major cosigners of the 2015 accord with Iran, exposes the advanced degradation of the US Presidency and the US role in global politics.

All previous US Presidents have been influenced by the billionaire and millionaire diehard Israel-Firsters, who funded their electoral campaigns. But occasionally, some '*Commanders in Chief*' have decided to pursue policies favoring US national interest over Israel's bellicose ambitions. Avoiding a catastrophic war in the Middle East is such a case: Obama chose to negotiate and sign a nuclear accord with Iran. Tel Aviv's useful fool, Donald Trump, intends to break the agreement and drag this nation further into the hell of regional war.

In this regard, international opinion has sided with America's generals. Only Israel and its US acolytes on Wall Street and Hollywood applaud the blustering, bellicose Trump!
